Project 1

NYC
New York Travel Guide

Description

This is a Android Application for the Travel and Guide. The award-winning travel series goes interactive! Featuring over 675 listings, this practical, engaging, and easy-to-use travel app will introduce you to Manhattan's many wonders.

First-time visitors will find the perfect introduction to New York City, and for those already familiar with the island metropolis, we've pointed out plenty of lesser-known gems in every neighborhood.
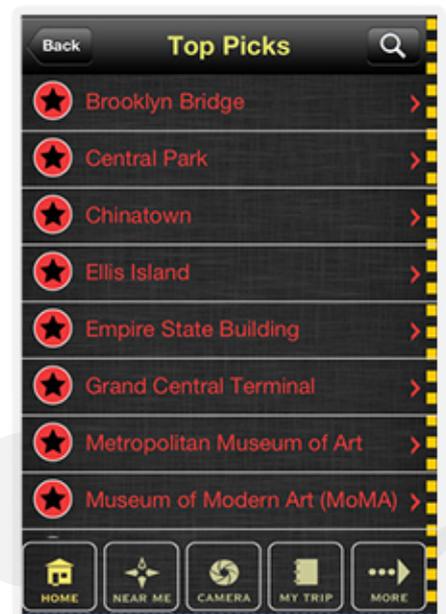

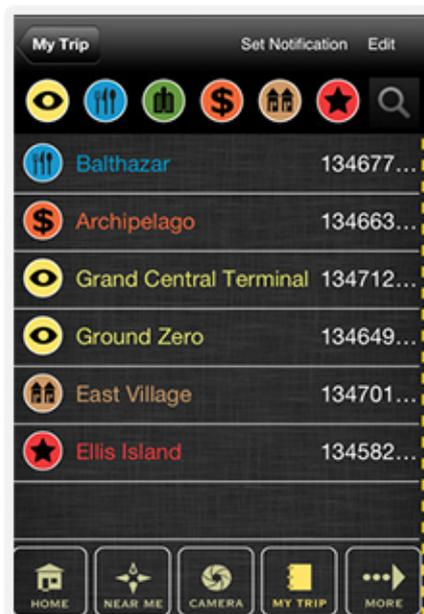

Find locations on a map (even offline!), schedule a trip itinerary, share your photos, and easily locate venues nearby. New York offers something for everyone. With the help of Peter Pauper's city guide, make the most of what it has in store for you.
